Ref : item no. 6/243 minutes of the board meeting dated 10/08/2022

The Board of directors in the meeting held on 10/08/2022 decided to collect EMD as per the earlier rate contract (2021-22) for the current rate contract agreement 2022-23 due to the practical difficulties in determining and collecting the EMD based on percentage of the purchase. So the EMD amount for the current rate contract agreement will be Rs.12 lakhs. Therefore those suppliers who have not completed deposit of EMD of Rs. 12 lakhs should deposit the remaining amount within 15 days positively. If any supplier had deposited more than Rs.12 lakhs, the excess will be refunded by the corporation. Also the Board has decided to limit the maximum number of brands to be quoted by a company to 20. If any company has quoted more than 20 brands in the rate contract agreement 2022-23, they should specify the 20 brands which they wish to keep.
